**Tues
14
Sept**

Double Strand Floating Necklace

Stringing & Crimping Class

Learn how to crimp beads onto wire to create the illusion of floating beads. Work with flexible jewellery wire (suitable for stringing) and learn how to position the beads and finish the ends professionally with a calotte, clasp and jump ring.

**Tues
21
Sept**

Wire and Button Rings

Wire-work Class

Learn how to work with wire to create a ring band from scratch, using a ring mandrel. Embellish with a button to create a contemporary style ring. Learn what tools and materials are required and how to size the ring correctly.

**Tues
28
Sept**

Chain & Pin-work Necklace

Wire-work Pin-work class

Learn how to create a stylish necklace with sections of chain and beads, with charms at the centre. Packed with great techniques, you will learn to make perfect loops and link beads and chain together.

**Tues
5
Oct**

Crystal Flower Hair Grip

Wire-work Class

Learn how to add beads to the wire then shape and secure each petal as you go. You will create 5 petals to form the flowers, embellish the centre and learn techniques to add the flower to a hair grip and neatly secure the wire ends.

**Tues
12
Oct**

Twisted Wire Bracelet

Wire-work Class

Learn to add beads to wire and twist to secure. We show you how to weave your strands to create a funky style and finish the ends professionally, making wire loops to attach your clasp finishing. Great wire-work techniques class.

**Tues
19
Oct**

Charm Cluster Necklace

Wire-work and Cord Class

Learn how to turn beads into charms by making coiled oops on headpins. Discover techniques to turn these beads into charms sections to add to cord and complete your necklace. We will show you how to add folding cord ends to finish the necklace professionally.
