£20 per session including materials (advance booking required)

4.11 - 4.12 Paintworks
Bath Rd, Bristol
BS4 3EH
Tel: 0117 3009800

Tues
3
Aug

Bead Button and Cord Necklace

Cord Stringing Class

Learn how to weave and knot cord, adding beads and buttons to create this casual style necklace. Learn how to add folding cording ends, jump rings and a clasp. Pick up tips on how to thread cord through beads with ease!

Tues
10
Aug

Jumble Wire Necklace

Wire-work Class

Learn how to work with wire to create several strands embellished with beads and shape to create the jumble wire look. We will show you how to successfully finish wire without any sharp ends and add a clasp and jump ring finishing.

Tues
17
Aug

Memory Wire Bracelet

Wire-work Stringing Class

Learn how to work with memory wire. We show you how to secure the ends, design your bracelet and choose suitable beads. You can also add charms on headpins to complete your fashionable design.

Tues
24
Aug

Hammered Wire Earrings

Wire-work Class

Learn how to hammer wire to create a teardrop finish to keep the beads in place. Make the perfect loop on wire with your round nose pliers and add a few sparkling Swarovski crystals to complete the pair.

Tues
31
Aug

Illusion Necklace

Stringing Class

Work with clear monofilament to create the illusion of floating beads. We will show you how to add the beads to the monofilament, create several strands and how to add the crimp and calotte fastening for a professional and secure finish.

Tues
7
Sept

S-Links Charm Bracelet

Wire-work Class

Learn how to make your own links from wire. You will create S shaped links and connect them together with jump rings to make your own chain. We will show you how to turn beads into charms and add them to your bracelet to decorate.

These classes are suitable for all
